NOTICE TO MEMBERS: PARKING PASSES

The YMCA of Wood Buffalo would like to inform members about some of the changes we are implementing with regard to parking at the Westwood facility.

We have listened to all the feedback regarding lack of available spots due to the student body of Westwood High not adhering to proper use of the lots as per the signage posted. Therefore, effective immediately, we will be issuing parking pass stickers to our members. The passes are designed to cling to the window, however under extreme cold – the pass may need to be displayed on the dash.

A maximum of two (2) passes can be issue to members aged 18 years and older. Members under the age of 18 will need to have their parent/guardian register for their passes.

The lot will be monitored during these hours:

Monday-Thursday: 7am-3pm

Friday – 7am-12pm

Excludes holidays.

Members are able to park in both the front and back lot at any time; however students must park in the back lot during the hours listed above.

Warnings will be issued, as well as reminders to members to pick up and display their parking pass, however after October 1st, vehicles not displaying a parking pass may be subject to ticketing and a \$120.00 fine.

Visitors and members who forget to display their pass are able to park in the front lot, but must sign in at the front desk to avoid being ticketed.

We are pleased to be able to offer our members this improved service, and are always appreciative of feedback you may have. Should you have any questions about this new process, please feel free to inquire at the Member Services desk.
