NOTICE TO OUR MEMBERS: POOL UPDATE

Repairs to the pool are well under way and nearing the reopening of the pools. At this stage, final repairs are being completed in preparation for inspection and water sample testing to be done. Unfortunately there will a slight delay to our scheduled reopening date of August 16th; however we expect that we will soon be able to announce a date for reopening to occur within the week of August 16-20th.

We continue to appreciate the patience of all our members while we count down the days until our pool reopens.
