

YMCA

We build strong kids,
strong families, strong communities.

December 26th, 2011

UPDATE TO OUR MEMBERS: ANNUAL POOL MAINTENANCE

As we are in week 6 of the annual maintenance for the pool, we would like to update our members on the status of repairs.

Management and the Board of Directors have secured the necessary funds & donations to complete the work.

The YMCA of Wood Buffalo has also been engaged with the Management of the Regional Municipality of Wood Buffalo during the Annual Pool Maintenance. The Aquatic Department is an important component to the YMCA membership and the community as a whole; therefore we will stay engaged to ensure Health & Wellness services are being offered throughout our growing community.

The scheduling of contractors and ordering of supplies is almost completed. As you may notice the YMCA Asset team and volunteers have been completing some of the work.

Work will continue into January, our goal is to have work completed on or before the end of February. Members will continue to receive updates on the progresses of the work.

Management and Board of Directors would like to thank our members, staff, volunteers and community partners for their ongoing support.
