**NOTICE TO OUR MEMBERS: POOL UPDATE**

The YMCA of Wood Buffalo is very pleased to announce that work will begin Monday, July 19, 2010 to repair all the damaged pool equipment in preparation for the reopening of the pool.

Taking into consideration the time needed to complete all the work and the process for refilling the pool, we anticipate a reopening date of August 16<sup>th</sup>, 2010.

As we move through the timeline for the work plan, we will continue to provide frequent updates to our members. As we approach the date for reopening we will be developing and presenting a loss of service plan for our members and announcing all the programming for end of Summer and for the Fall season.

On behalf of the YMCA of Wood Buffalo, the Board of Directors, management team and the staff wish to thank all our members for their patience during this closure.
