## **NOTICE TO OUR MEMBERS: ANNUAL POOL MAINTENANCE AND CLOSURE**

We wish to inform you that on November 14, 2011 the pools and hot tub will be closed for annual maintenance.

There are areas that require repair in and around our aquatics area. Safety to all the users of our pool is paramount. In order to complete the repairs, a closure of the pools is necessary. The asset management team has been working to choose a date for closure that both addresses the urgency of these repairs while minimizing the impact to our members. Below are the highlights of this closure.

### **Focus:**

To complete necessary repairs as to do some minor upgrades to our aquatics area and lockers rooms.

### **Period of Closure:**

**Work begins: November 14<sup>th</sup>, 2011.**

**Anticipated completion date: 4-6 weeks**

*Pool is scheduled to reopen at this time and updates will be made available.*

### **Areas identified for Repair:**

#### **Priorities:**

- Repair stairs leading into the main pool
- Replace anti-entrapment device in the tot pool
- Scrape peeling paint from the ceiling over the pool
- Replacement of temperature regulator (hot tub/showers)
- Replacement of gutter grates surrounding main and tot pool
- Repair ladder post holds

#### **Other repairs and upgrades:**

- Extensive cleaning of pool area/locker rooms

We commit to keeping our members informed as updates become available to us. A work plan for this closure will be made available to members should they wish to learn more about what we will be doing.

We apologize for the inconvenience to you – your membership is valued and we thank you for your support.
