RE: Update Steam Room & Hot Tub

The week of March 27th to April 1st 2011 repairs started on the Steam Room to replace heating elements. Minor adjustment will continue this week to regulate the steam.

March 31, 2011 we receive noticed that work had been completed on the hot tub pumps in Edmonton. The company will be scheduling the next steps of this work with Wood Buffalo Management later this week.

Once the date has been booked a notice will be posted for our members.

The YMCA of Wood Buffalo would like to thank our members for their continued support into 2011.
