The Keg is celebrating 40 great years. To help celebrate Keg has decided to give away 40 \$25 000.00 grants. The YMCA Riedel Child Development Centre applied for one of the \$25 000.00 grants to create the first natural playground in Fort McMurray. We have been selected as one of the finalists for this grant but we now need your support, in helping us to qualify for this grant by voting. You can go on line and vote everyday (one vote per email address) until June 14, 2011.
